C.No.2016/48.D.1. D/21-12-1948.

Sir,

Sub :- Public health - Hospet Municipality - Purchase of motor lorry with built body from M/s Asquith & Co., Ltd., Bellary - approval - requested.

Ref :- G.O.No.4076 P.H., d/1-11-1948.
ii)Proceedings No.21860/A1./48 D/11-12-1948, of the Provincial Motor Transport Controller, Chepauk, Madras.
iii)Letter d/17-12-1948 of M/s Asquith & Co., Ltd., Bellary.

..o..

The Government in their order G.O.Ms.No.4076 P.H. dated 1-11-1948 were pleased to accord sanction for the purchase of a lorry by the Hospet Municipality for conservancy purposes. In the same order the Government required that the Municipal Council should make arrangements to build a suitable lorry body over the chassis at the Government Coach Building Factory, Chrompet.

The Provincial Motor Transport Controller, Chepauk, Madras in his proceedings No.21860/A.1/48 d/11-12-48 alloted to the Commissioner, Hospet Municipality, one 161" W.B. Lorry for use as conservancy lorry and required the allottees referred to in his proceedings, of which the Commissioner, Hospet Municipality, was one to contact M/s Asquith & Co., Ltd., Bellary, who are the dealers for this area and take delivery of the vehicle. He also observed in his proceedings that if a report of the willingness of any allottee is not received by him within 10 days, the allotment made would be cancelled.

In view of the emergency indicated in the proceedings of the Provincial Motor Transport Controller, Chepauk, Madras, the Chairman and the Commissioner personally contacted M/s Asquith & Co., Ltd., Bellary on 17-12-48 and saw the alloted lorry. They have alloted to the Municipality a lorry completely built up by the manufacturers. The Chairman and the Commissioner were satisfied with the body and the ready made vehicle was purchased. This was done not only because the body was satisfactory and the cost of it was only Rs.910/-, but this avoided all the difficulties of delay, transport and expenditure that would be involved in the taking of the lorry from Hospet all the way to Chrompet and back. The building up of a body over the Chassis at the Government Coach Building Factory, Chrompet has thus become unnecessary.

In the circumstances stated above I request the Government to be pleased to waive the condition in G.O.Ms.No.4076 P.H., D/ 1-11-48 in respect of the body building at the Government Coach Building factory, Chrompet and to accord approval for the purchase of the Chassis with the built up body from M/s Asquith & Co., Ltd., Bellary.
